② Back Width \_\_\_\_\_ inches

③ Depth \_\_\_\_\_ inches

④ Height \_\_\_\_\_ inches

⑤ Gas Stub Location (check)

Left ☐ Right ☐ Rear ☐ Floor ☐

Gas Type Used in Fireplace (check)

Natural ☐ L.P. ☐

## SPECIAL SIZING REQUIREMENTS

If using a Safety Pilot Kit, please allow an additional 3" on each side of the log set for a total of 6" additional space.

If using a Remote Control System, please allow an additional 6" on each side of the log set for a total of 12" additional space.

This additional space may be required to center your gas log set in the fireplace.  
For specifics, check with your Peterson Gas Log retailer.
